Double wall tumbler 300ml

Ref. 2596

Reference	2596
Composition	PP
Material	PP
Average weight	0.133
Dimensions	Ø9 x 14,2CM
Country of origin	China
Carton	45 pieces

DESCRIPTION

Double-wall cup, 300 ml, with an inner PP layer and an outer shell in recycled PP. The design includes an anti-leak lid, a stainless steel recycled base ring for stability and an RPET strap for easy carrying — practical for commuting or office use. Offered in several colours such as Black, White and Navy.

The tapered shape provides a comfortable grip and the locking lid helps reduce spills; dimensions (Ø9 x 14.2 cm) make it compatible with most cup holders. Hand washing is recommended for regular maintenance. The cup is robust for everyday use and is not a textile item.

Customisation: this product can be made as a personalised cup using screen printing, DTF printing, flex and pad printing. Ideal for companies, sports clubs, associations, events and private customers; minimum order 23 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays.
