DESCRIPTION

Double-wall stainless steel tumbler (90% recycled stainless) with a 500 ml capacity, made for hot or cold drinks. The tall, slightly tapered shape gives a comfortable grip; it features a matte finish and a clear lid with a drinking opening. Leak-resistant with compact dimensions Ø8.7 x Ø6.8 x 17.4 cm, it is practical for daily office use, events or travel. Hand washing is recommended to preserve the print and lid where indicated.

The tumbler is offered in several colours, including Black, White and Navy, and benefits from a sturdy stainless steel construction. The double-wall design improves thermal insulation and keeps the exterior comfortable to hold. The snap-on lid reduces spills and makes it easy to carry in a bag.

Customisation available from 12 pieces (colours and sizes combined): digital printing, laser engraving, screen printing on objects and pad printing. Suitable for companies, sports clubs, associations, events and individuals seeking a personalised tumbler. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and standard production from our workshop in Evere.
