DESCRIPTION

This compact personalised powerbank in ABS measures 8.5 x 6.25 x 1.5 cm, offering a pocket-friendly solution for charging smartphones and small devices. The rounded edges and slim, flat profile provide a comfortable grip and a neat, matte finish that resists visible wear. It features a Type-C input/output, supports 5 V/1 A and 5 V/2 A outputs and fast-charge capability (20 W), plus a power button and LED charge indicators.

Practical details include the modern Type-C connector, external battery-status LEDs and a compact form factor that makes it suitable for trade shows, corporate travel and everyday carry. Its dimensions and construction prioritise portability and straightforward use.

We can personalise this powerbank using digital printing, doming or pad printing. Ideal for companies, associations, clubs, events and corporate gifting. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and graphic studio support available to vectorise your logo.
