DESCRIPTION

The A5 Chippewa notebook is a hardback notebook designed for everyday use by companies, clubs or at events. Its rigid cover combines tea marc, cork and polycotton for a textured, durable finish, while the interior contains 160 lined pages made from recycled paper. The compact dimensions (13.3 x 1.2 x 20.8 cm) make it practical to carry and ideal for note-taking at meetings or on the go.

Practical details include a matching elastic closure and a ribbon page marker to keep your place. The sturdy cover protects the pages and preserves the notebook's shape; avoid prolonged exposure to moisture to maintain the composite cover and recycled paper. The finish is suitable for regular professional use.

This personalised notebook can be customised using embossing, laser engraving, screen printing for objects, multicolour transfer, DTF printing or flex. Recommended for businesses, sports clubs, associations, schools and promotional events. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays.
