DESCRIPTION

This tea infuser, shaped like a little figure, is designed for loose-leaf tea. The perforated stainless-steel body acts as the filter while the upper part is covered in soft silicone for a comfortable grip and heat resistance. Compact dimensions (6 x 4.5 x 11 cm) make it suitable for a mug or cup. Care is straightforward: rinse after use and wash gently by hand or with a non-abrasive cloth.

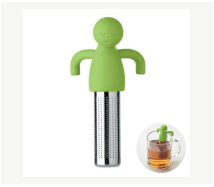

The model's protruding arms hook over the cup rim to keep the infuser stable during brewing. The stainless-steel filter ensures even extraction of the leaves and is easy to clean. Available in several colours, for example Grey, Lime and Baby Blue, it works well for promotional packs, client gifts and event merchandise.

Customisable by laser engraving or pad printing, this item is ideal for businesses, clubs, associations and event giveaways. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and delivery from our workshop in Evere. Our studio can retouch or vectorise your logo.
