DESCRIPTION

Reusable single-wall cup designed for cold and warm beverages, with a 200 ml capacity and dimensions Ø8 x 9 cm. The Cupful model features a simple conical shape with a rolled rim for comfortable handling; made from corn-based PLA it has a smooth, matte finish. As a single-wall cup, heat transfer may occur — avoid very hot drinks and hand-wash when possible.

The clean, handle-free profile makes stacking and transport easy, ideal for events, buffets or coffee breaks. The cup is available in several colours, for example Black, White or Petrol, and its compact proportions make it practical for service and tastings.

Personalised cup printing is available by screen printing or pad printing, perfect for companies, events, associations and public organisations seeking a reusable branded item. Minimum order quantity: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can prepare or vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
