Country of origin	China
Carton	400 pieces

DESCRIPTION

The Tekubi polycotton wristband is made for sport and health use: a tubular cuff measuring 8 x 6 cm in a soft cotton/elastane/polyester blend that absorbs sweat while remaining comfortable and elastic. Its stretch construction provides a secure fit during physical activity and it is machine washable, retaining shape after laundering.

The wristband features a sewn cotton patch as a print area, offering a clean, durable surface for logos. Reinforced stitching at the edges improves longevity in regular use. It comes in several colour options and works well as an individual accessory or for team kits.

Order this personalised wristband with embroidery, screen printing, multicolour transfer, DTF printing or flex. Suitable for companies, sports clubs, associations and events. Minimum order: 200 pieces (colours and sizes combined) — smaller quantities can be produced with additional charges. Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
