This Atama polycotton headband is designed for sport and active outdoor use and is a unisex model. The listed composition (79% cotton / 13% elastane / 8% polyester) delivers stretch and comfortable wear. Measuring 18.5 x 6 cm, it includes a sewn cotton patch as a dedicated print area for clear logo placement.

The visible terry-like surface provides absorbency and a snug fit that helps prevent slipping during activity. The headband has a simple circular cut with finished seams for durability. It is available in several colours, including Black, White and Navy.

The personalised headband can be customised by embroidery, screen printing, multicolour transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 200 pieces (colours combined); lower quantities may be possible with additional fees.
