DESCRIPTION

Circular phone stand and bottle opener made of ABS, designed to act both as a kickstand and a practical opener. Compatible with the magnets of iPhone® 12 and newer models, it includes an additional metal magnetic ring to enable wireless charging on some non-magnetic phones. Dimensions: Ø5.76 x 0.68 cm. This is a non-textile item; minimum order 200 units (colours and sizes combined).

The slim circular profile adheres neatly to the phone back and features a fold-out stand for landscape viewing. The integrated bottle opener adds a useful secondary function for events or field use. ABS construction delivers a smooth, durable finish suitable for everyday handling.
