DESCRIPTION

This round PU coaster, model Posa, is designed to protect surfaces in professional and domestic settings. At 9 x 9 x 0.33 cm it suits cups and glasses; the PU material provides a smooth, easy-care surface. It is available in several colours — for example brown, black or navy — and fits discreetly on desks, counters or dining tables.

The photo shows a stitched edge detail that reinforces the finish and secures the rim. Its slim profile keeps it unobtrusive while providing stable support for light tableware. For maintenance, a simple wipe with a damp cloth is usually sufficient for this PU covering.

This coaster can be personalised by embossing, laser engraving, pad printing, screen printing on objects, multicolour transfer, flex or DTF printing depending on the desired effect. Suitable for companies, promotional gifts, hospitality, events, clubs and individuals. Minimum order: 250 pieces (colours and sizes combined); smaller quantities are possible with additional fees.
