DESCRIPTION

The Aberdeen gift set is a compact wooden box (10 x 8.5 x 3.5 cm) containing nine reusable cooling stones presented with a velvet pouch. The stones cool drinks without dilution and sit neatly in the fitted wooden interior secured by a small metal clasp. Care is straightforward: return the stones to the freezer after use and wipe the box with a dry or slightly damp cloth.

The box features simple, natural lines with visible hinges and a clasp, making it suitable as a corporate gift or event giveaway. Its compact dimensions make storage and shipping easy. The model is offered in several natural wood finishes.
