DESCRIPTION

This double-walled mug is made from recycled stainless steel (90% recycled) and holds 260 ml. It has a straight, cylindrical profile with an attached ergonomic handle for a secure grip. The double-wall construction provides improved insulation for hot or cold drinks. Hand washing is recommended to preserve the finish and any marking.

The compact dimensions (11.1 x 9.1 cm) and welded handle deliver practical, everyday use without moving parts, suitable for office kitchens, breakfast service or promotional events. The product is available in one colour, including matt silver.

Customisable from a minimum order of 20 pieces, this personalised Tasses et gobelets can be marked by laser engraving, screen printing on objects or pad printing. Ideal for companies, sports clubs, associations, events and private customers. Our design studio can vectorise your logo. Free quote within 24 hours on weekdays; standard production, express option for in-stock items. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
