DESCRIPTION

Compression care mask in one size, designed to hold hot or cold packs against the forehead and temples to relieve headaches, tension and pain. Constructed from PET with a stretch lycra outer, the Hotnod model measures 22 x 17 x 1.5 cm and features a nose cut-out to improve fit and comfort.

The adjustable design contours to the face to retain heat or cold while avoiding excessive pressure; finished edges and an ergonomic cut provide comfortable wear for most adults. The single size fits a wide range of users.

Customisation available from 30 units (colours and sizes combined): Transfer multicolour, DTF printing, Flex. Suitable for companies, sports clubs, associations, events and private customers seeking a personalised mask with your logo. A free quote is provided on weekdays.
