Average weight	0.02
Dimensions	10 x 8CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

The Wallk cork cardholder is a compact travel accessory designed to carry up to three cards plus a main RFID-protected compartment. Measuring 10 x 8 cm, it is slim and lightweight, easy to slip into a pocket or bag. The cork material gives a natural, tactile finish and the visible stitching reinforces the edges for everyday use.

Functionally simple, the cardholder features three aligned card slots and a central pocket for an extra card or folded notes. Cork is naturally resistant to light moisture and can be wiped clean with a damp cloth; the flat profile prevents bulk in pockets and allows quick access to cards.

Customisation is available by laser engraving, pad printing and screen printing on the object — ideal for companies, events, clubs, associations and promotional gifting to individuals. Minimum order: 250 pieces. personalised travel accessory
