DESCRIPTION

This acacia wood tray set includes a zinc-alloy nutcracker and is designed for presenting and enjoying shelled nuts. The Nutplate measures 24 x 17 x 2 cm and provides a durable wooden surface that is straightforward to care for, suitable for corporate receptions, hospitality or social gatherings.

The tray features a shallow recess to collect shells and a dedicated slot to hold the nutcracker securely, preventing it from rolling away. Slightly rounded edges ensure comfortable handling and the smooth finish highlights the natural grain of the wood while keeping the piece practical.
