Reference	2631
Composition	ABS
Material	ABS
Average weight	0.2
Dimensions	8,9 x 8,9 x 4,86CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

Retractable LED string light in ABS, designed for picnic and camping use. The Brillo model features a rechargeable 1000 mAh battery and an 8 m USB-C cable. Five brightness levels let you tailor the light output; the compact round diffuser provides soft, ambient illumination ideal for a campsite, picnic table or outdoor event. Size: 8.9 x 8.9 x 4.86 cm.

The unit shows a darker base with a translucent top and a central button to adjust intensity. Made from ABS, it is easy to clean and carry; the string can be used suspended or placed on a surface. The long cable gives you flexibility when positioning the lights around an outdoor area.

Branding available by digital printing or pad printing. Suitable for companies, sports clubs, associations, events and individuals looking for a personalised picnic and camping product. Minimum order: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a studio service is available to vectorise your logo.
