DESCRIPTION

Metal twist ballpen featuring a textured composite-covered barrel (including tea marc and cork) and blue ink. Measuring 14 x 1 cm and supplied in a cardboard box, it is a neat writing instrument for receptions, trade shows or daily office use. The combination of metal and textured material offers a secure grip while maintaining a refined appearance.

The pen uses a twist mechanism to deploy the tip, has a metal clip for attaching to notebooks or pockets and polished metal fittings that contrast with the textured barrel. The cardboard box protects the pen and simplifies presentation for corporate gifting.

This personalised pen can be marked by digital printing, screen printing, laser engraving or pad printing. Minimum order: 100 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo.
