DESCRIPTION

The Lyon Set combines a twist ballpoint and a rollerball with bodies in recycled stainless steel, presented in a compact black paper box (17.2 x 5.2 x 2.2 cm). Intended for office use and corporate gifting, the pair offers a balanced feel and a glossy finish with chrome details. The ballpoint uses blue ink and the rollerball uses black ink; the box protects the pens and provides a neat presentation for events or handovers.

Available in several colours (e.g. black), the set fits easily into a pencil case or gift tray. The metal trims and paper box are low-maintenance—wipe with a soft cloth to preserve appearance and avoid scratches.

Designed for companies, clubs, associations and promotional events. This personalised pen set can be customised by digital printing, screen printing on objects, laser engraving or pad printing to add your logo or message. Minimum order: 50 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our design studio can retouch or vectorise your logo.
