Drawstring bag in 600D RPET

Ref. 2639

Reference	2639
Composition	RPET
Material	RPET
Average weight	0.14
Dimensions	33 x 42CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

A compact drawstring bag made from RPET with a PU coating and 190T RPET lining. Its straightforward, flexible shape (33x42cm) makes it suitable for carrying light items. The drawcord serves as both closure and shoulder straps, and a front zipped pocket provides secure access for phone, keys or small essentials. Practical for daily use at events, travel or sports activities.

The 600D-style construction gives the bag a stable feel and the zipped front pocket is integrated neatly into the front panel for convenient access. Cord ends and reinforced corners offer simple, reliable carrying strength. Available in several colours, for example Black, Blue and Khaki.

Customisation available by screen printing, multicolour transfer, DTF printing or flex heat transfer. This promotional item requires a minimum order of 50 pieces (colours combined); lower quantities can be considered with additional fees. Suitable for companies, sports clubs, associations, schools and events looking for a personalised drawstring bag.
