DESCRIPTION

Unisex waist bag made from RPET with a PU coating and polyester lining: compact dimensions (26.5 x 7 x 12.7 cm) designed to hold essentials for sport or urban use. The curved silhouette and front zip pocket give easy access to small items, while the adjustable strap with plastic buckle allows waist or crossbody wear. The RPET material provides a structured, slightly satin finish that is easy to care for.

Visible details include a zip concealed beneath the top flap and neat, reinforced seams that help the bag keep its shape. The construction is lightweight yet protective, suitable for everyday use. Available in several colours, for example Black, Blue and Grey Stone.

This bag is ideal as a personalised sports and outdoor bag and can be decorated by screen printing (object), multicolour transfer, DTF printing or flex (heat transfer vinyl). Minimum order: 50 pieces (colours combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; standard and express production options; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
