Carton	500 pieces

DESCRIPTION

The Fauleti Loop is a phone accessory made from PU featuring a braided loop and an integrated Type C to Type C 60 W charging cable, intended for convenient everyday use. The compact dimensions (3.2 x 10.3 x 1.4 cm) make it easy to carry on a keyring or in a bag. This unisex item works well as a key holder or a spare charging cable for on-the-go situations.

The braided PU strap offers flexibility and a comfortable grip, while the zinc alloy end provides a secure connection to the metal ring. Care is straightforward: wipe clean with a damp cloth to remove dirt or marks. Its compact shape and rounded details suit frequent handling and daily wear.

Customisation available for a personalised phone accessory by DTF printing is not listed; instead options include digital printing, doming, laser engraving and tampography. Ideal for companies, clubs, events and individuals. Minimum order: 250 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
