DESCRIPTION

The Gamma apron in organic cotton is designed for kitchen and hospitality use. This unisex bib apron measures 75x90 cm and provides ample coverage with a classic cut. The organic cotton material offers a natural feel and is laundered like regular textiles; the neck strap is adjustable with a button for improved fit and comfort.

The apron features a large front pocket divided into two compartments, ideal for utensils or tea towels. Long waist ties allow precise fastening and a comfortable rear knot. Visible stitching in the photo indicates careful finishing suitable for regular professional use.

These personalised apron items are available from 25 pieces (colours and sizes combined). We can apply screen printing, multicolour transfer, DTF printing, flex or embroidery for businesses, restaurants, schools, clubs, events and private customers.
