DESCRIPTION

Bergamo ++ recycled aluminium ballpoint pen, unisex, with a slim profile (Ø1x14cm) and a bamboo push button. The tapered shape offers a comfortable grip for everyday use in offices or at events. Available in several colours, it is suitable for corporate giveaways, receptions and association use. Blue ink; no special maintenance required.

The pen features a metal clip and an integrated bamboo push button for a clean, durable finish. Its lightweight build and narrow diameter make it easy to carry in a pocket or card holder. It comes in multiple colours — for example black, blue or matt silver — across seven options in total.

Customisable by laser engraving, this pen can carry your logo or short message on the aluminium body. Minimum order: 250 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and private customers; our design studio can retouch or vectorise your logo prior to production.
