DESCRIPTION

The Roundward glass keyring features a bevelled, faceted glass pendant attached to a metal chain and split ring. At 3 x 3 x 10.3 cm it is compact yet presents a striking, light-catching finish, supplied in a presentation box suitable for corporate gifting.

The multi-faceted glass surface enhances contrast and detail of a mark or engraving. It is a fragile item by nature: avoid hard impacts and clean with a soft cloth to maintain the glass clarity and metal fittings.
