DESCRIPTION

Small heart-shaped glass keyring supplied in a gift box. The faceted cut gives a crystal-like appearance and a pleasant weight in hand. Dimensions: 3.1 x 3.1 x 10.3 cm; material: glass. A unisex accessory suitable for daily use on keys or as a promotional giveaway.

The keyring is attached to a metal split ring and short chain for a neat finish. The presentation box protects the item and makes it easy to distribute at events or as corporate gifts. Care is straightforward: wipe with a soft cloth to maintain the shine.

This personalised keyring can be decorated by digital printing, pad printing (tampography), doming or laser engraving. Minimum order: 50 pieces (colours and sizes combined) — each promotional item has its own minimum shown on its product sheet.
