DESCRIPTION

Unisex bamboo ballpoint pen with a slim, cylindrical barrel and a heart-shaped topper mounted on a metal stem. The pen uses blue ink and the bamboo exterior gives a natural, comfortable grip. Care is simple — wipe with a damp cloth and avoid prolonged immersion to preserve the wood finish.

The design is minimal with no visible clip or complex mechanism in the photo, making it lightweight and discreet for desk pots or giveaways. Compact dimensions (approx. 15.2 x 3 cm) suit promotional campaigns, events and welcome packs where an eco-conscious option is preferred.

Customisation is available by laser engraving or pad printing: choose engraving for a durable, refined result or pad printing for coloured logos. This promotional item cannot be ordered individually — minimum 250 pieces (colours and sizes combined) as stated on the product sheet; smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
