## DESCRIPTION

This glass star trophy (10.5 x 10.5 x 1.9 cm), model Starward, features a flat central face framed by faceted edges that refract light for a crystalline effect. Supplied in a black gift box, the piece stands upright on its flat base and fits neatly on a desk, shelf or presentation table.

The polished facets and clean silhouette give a refined, understated look suitable for awards, recognition events or club prize-giving. Its compact dimensions make it eye-catching without taking up much space, and the gift box simplifies storage and transport.

Customisation options include digital printing, screen printing on objects, doming, laser engraving and pad printing. Minimum order: 12 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Ideal for companies, sports clubs, associations, schools and individuals seeking a personalised desk accessory.
