DESCRIPTION

Contemporary whisky glass designed for spirits and liqueurs, with a slightly flared bowl and a stable base for comfortable handling. Capacity 200 ml as specified by the supplier. Supplied with an acacia wood coaster that protects surfaces and adds a natural, tactile element. Suitable for corporate hospitality, bars or branded gifts.

The glass shows a smooth finish and a visibly solid base in the photo; the wooden coaster is flat and rectangular with a simple, robust look. Care: glass can be handled according to standard dishwasher guidelines; wipe the wood by hand to preserve its finish.

Customisation options include digital printing, doming, laser engraving and pad printing — techniques suitable for glass and the wooden coaster. Minimum order: 15 pieces (colours and sizes combined). Ideal for companies, clubs, associations, events and personalised gifts. Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
