DESCRIPTION

Double-walled stainless steel travel tumbler, 500 ml, Topaz Large, built for everyday use at the office, commuting or breaks. The tall, cylindrical shape (Ø9 x 19 cm) gives a secure grip; the exterior has a matte finish with a visible stainless steel base trim. The PP lid features two drinking openings, a leak-resistant closure and an RPET carrying strap for easy transport.

The lid snaps shut and includes a flip-up cap to seal the drinking spout, reducing spills. The double-wall construction helps maintain beverage temperature and prevents external condensation; the 500 ml capacity suits both hot and cold drinks. Available in several colours, for example Black, White and Navy.
