DESCRIPTION

The Tintray A5 notebook features a soft, ribbed PU cover containing 40% post-consumer recycled material and a plain PU patch, providing a structured look with a refined finish. Inside are 160 lined pages (80 sheets) of recycled paper at 70 gsm and a matching polyester bookmark ribbon. At 20.9 x 14.5 cm it's a compact, practical choice for meeting notes, project lists and daily use.

The embossed ribbed cover and stitched patch add durability and a professional feel; the lay-flat binding makes writing to the edge straightforward. The notebook is offered in several colours, for example brown, black and blue, and is easy to carry on the go or keep on a desk.

Suited to businesses, clubs, associations and events, this product can be customised using embossing, pad printing (tampography), screen printing on the item, multicolour transfer or flex.
