DESCRIPTION

The A5 “Tint” notebook features a hard PU cover with a patinated effect (40% recycled in the patinated layer) and a glued spine for a tidy finish and reliable durability. It includes 160 ruled pages on recycled paper (80 sheets) and measures 21.2 x 14.6 x 1.6 cm. An elastic closure and a matching ribbon bookmark keep the notebook practical for meetings, training sessions and everyday note-taking.

Practical details that matter: rounded corners, clean-cut edges and a leather-look cover that protects the pages. Wipe the cover with a damp cloth when needed; avoid immersion to preserve the patina and the glue of the spine.

Personalised notebook options include embossing, screen printing on object, multicolour transfer, flex, digital printing and pad printing. Well-suited for companies, sports clubs, associations, events and corporate gifts. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can vectorise or retouch your logo.
