Material	ABS
Average weight	0.325
Dimensions	8.5 x 9 x 6.5CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

The Karaset+ is a compact karaoke kit combining a portable speaker and a wireless microphone, made from ABS. Its rounded-corner cube shape, carrying handle and sturdy front grille make it easy to transport and use at events or gatherings. The front ring features changing LEDs and both units include built-in batteries suited to short performances. The microphone has side controls for volume and functions and offers a comfortable grip.

Measuring 8.5 x 9 x 6.5 cm, the Karaset+ fits on a table and is simple to carry. Care is limited to gentle wiping with a soft cloth; do not immerse. The kit is supplied in 1 colour (beige) with an even ABS finish across components.

Order this personalised speaker for corporate events, clubs, associations or promotional giveaways. Customisation techniques available: DTF printing, doming, pad printing, embossing, laser engraving and screen printing on objects. Minimum order: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and delivery or workshop collection options apply.
