DESCRIPTION

The Domi&Cards set combines wooden dominoes with a 54-card deck made from recycled paper, housed in a compact pine presentation box (19.2 x 7.6 x 3 cm). Designed for indoor play, it suits clubs, schools, corporate events and family use; the wooden pieces provide a tactile, durable feel while the cards feature rounded corners and a matte finish for easy shuffling.

The sliding pine box protects the elements and stores neatly; the dominoes stack cleanly for smooth gameplay. Care is straightforward: keep dry and avoid extreme temperatures to preserve the wood and recycled paper components.

Personalise this personalised games set using laser engraving, screen printing on objects, pad printing, digital printing or doming. Minimum order: 25 pieces (colours and sizes combined); smaller quantities can be arranged with additional fees. Suitable for businesses, associations, sports clubs, schools and event giveaways. Free quote within 24 hours on weekdays and our graphic studio can vectorise your logo.
