DESCRIPTION

Single-wall PP tumbler with a 300 ml capacity, designed for on-the-go use: a narrow profile for easy grip and a polyester RPET carry strap for transport. The Isforden Tumbler features a sliding lid with an anti-spill closure. As a single-wall cup it does not provide double-wall insulation, so heat transfer may occur with hot drinks. Dimensions: 13.7 x 8.6 cm. Available in several colours such as Bordeaux, Black or Navy.

The tumbler has a clean finish and a ribbed top section to aid handling. The strap is secured with reinforced stitching and lets you carry or attach the tumbler conveniently. Care: PP is straightforward to clean by hand; avoid heavy impacts.

Customize this personalised tumbler using screen printing on objects, DTF printing, flex or pad printing. Minimum order: 30 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers; our artwork studio can retouch or vectorise your logo and we provide free quotes within 24 hours on weekdays.
