DESCRIPTION

This stainless steel cutlery set comes in a compact PP case with a clear lid and contains a fork, knife and spoon. The set fits into a slim 19.5 x 5.2 x 2 cm case with internal partitions that hold each piece securely — convenient for the office, school lunches or travel. The transparent lid lets you check the contents without opening the case.

The case clips shut and its compartments prevent the utensils from rubbing together; the PP housing is easy to wipe clean and the stainless steel utensils are maintained like standard cutlery. The item is available in several colourways, for example Black, White and Baby Blue.

This personalised lunchware can be marked by digital printing, doming, pad printing or laser engraving to suit your branding. Ideal for companies, clubs, associations, events and private customers. Minimum order quantity: 50 pieces (colours and sizes combined). Our design studio can prepare or vectorise your logo prior to production.
