DESCRIPTION

The Cup On Go is a PP lunchware solution combining a main 450 ml cup with a separate 160 ml dish, so components stay neatly separated for on-the-go breakfasts or brunches. Made from PP with a matte look and designed to be leak-resistant, it is available in several colours including white, petrol and baby blue. Size: 12.5 x 9.7 x 9.7 cm.

The piece features a moulded handle for easy carrying and a ribbed fastening band that secures the upper dish. The transparent top lid lets you check contents without opening, and the two-part assembly simplifies cleaning and reassembly after use.

This personalised lunchware can be customised by screen printing, pad printing or digital printing. Suitable for companies, sports clubs, associations, events and private customers looking for a practical, branded item. Minimum order: 15 pieces (colours and sizes combined).
