## DESCRIPTION

The Korovin Waist bag is a compact, practical waist/ cross-body bag designed for everyday use and outdoor activities. Constructed from soft PU with a polyester 210D RPET lining and measuring 22 x 5 x 15 cm, it offers a slim rectangular profile that sits comfortably thanks to an adjustable strap and plastic buckle. The PU surface is easy to wipe clean for low-maintenance care.

The bag features one main zipped compartment, a rear zipped pocket and an internal mesh pocket to keep small items organised. Discreet stitching and a matte finish give it a restrained, professional look suitable for a range of uses.

Customisation options include embossing and screen printing on objects, making this personalised waist bag suitable for companies, sports clubs, associations, events and individuals.
