Carton	40 pieces

DESCRIPTION

The Rinbook A5 notebook is a unisex hard-cover notebook in RPET designed for everyday use. It contains 192 ruled pages (96 sheets) of recycled paper with a glued spine for stable opening. The cover features a built-in phone stand function and a slot for a 2-in-1 ballpoint pen in ABS, plus a matching elastic closure and ribbon marker. The product is FSC®-certified.

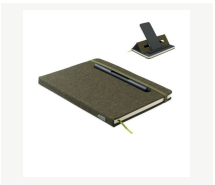

In practice, the rigid cover provides protection and a flat writing surface, while the elastic keeps the notebook closed and the ribbon helps you mark pages. The phone-stand function converts the notebook into a convenient holder for calls or viewing digital content, and the integrated pen ensures you always have something to write with.

This notebook is available for personalisation from 20 pieces (minimum_commande: 20 pieces, colours and sizes combined). We can apply screen printing, multicolour transfers, DTF printing, flex and pad printing (tampography) to add your logo. Suitable for companies, sports clubs, associations, events and individuals looking for a personalised notebook. Free quote within 24 hours on weekdays; graphic studio available to vectorise or retouch your logo. Available in several colours, for example Noir, Vert Foncé and Bleu Marine.
