DESCRIPTION

This RPET sports bag (Brenna Small) is designed for everyday use and sporting events. Its cylindrical shape (12 x 27 cm) provides about 3 litres of capacity — enough for a change of clothes, a small bottle and a few essentials. The RPET fabric with a PVC coating makes the bag water-resistant and easy to wipe clean. The unisex design focuses on functionality and compact convenience.

The bag features a top zip and detachable, adjustable straps secured with clips, allowing shoulder or hand carry. The tubular construction keeps its shape and the PVC finish helps protect the surface from light wear and facilitates cleaning. Its small footprint makes it practical for sports clubs, gyms and short trips.

This personalised sports bag can be marked by screen printing on objects, multicolour transfer, DTF printing or flex. Suitable for companies, clubs, associations, events and individuals looking for an eco-friendly promotional item made from RPET. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 h on weekdays; collection in Evere or delivery to Belgium, France and Luxembourg.
