DESCRIPTION

Foldable storm umbrella, unisex, designed for everyday use and outdoor events. The canopy is made from 190T RPET while the shaft and ribs are glass fibre, offering wind resistance without excess weight. It folds into two sections and comes with a sleeve; opening and closing are automatic. The D-shaped carabiner handle with a rubber finish provides a secure grip and makes it easy to hook the umbrella to a bag.

With a diameter of 99.5 cm the umbrella provides adequate coverage for one person. The glass fibre frame reduces the chance of breakage in strong winds and the canopy has a matte, even appearance suitable for regular use. Practical for teams in the field or as a corporate giveaway.

This personalised umbrella can be marked by screen printing on objects, multicolour transfer, DTF printing, flex or sublimation. Minimum order: 15 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and individuals seeking a durable promotional item.
