The curved PP rubberised handle gives a secure grip; the umbrella opens automatically and closes manually. Listed dimension: 58.5 cm.

Construction details include plastic tips and ferrule and visible seams at the panel joins, which aid compact storage and handling. The model is available in several colourways, for example burgundy, black or royal blue. Care is straightforward: wipe clean and air dry.

This personalised umbrella can be printed using screen printing (sérigraphie objet), multicolour transfer, DTF printing, flex or sublimation depending on the area to brand. Suitable for corporate gifts, promotional events, associations and individuals; minimum order: 15 pieces (colours and sizes combined).
