DESCRIPTION

The Brela straight umbrella is designed for everyday and promotional use with a wind-resistant fibreglass frame and PET pongé 190T canopy. It features a curved PP rubber-coated handle for a secure grip, automatic opening and manual closing. With a span of 58.5 cm it remains compact and easy to carry for staff or event attendees. Care is straightforward: allow the canopy to dry open before storing to prolong its life.

Functional details include plastic tips and ferrule and flexible ribs that reduce breakage in windy conditions. Its straight profile makes it easy to hang and store. The model comes in several colours, for example Bordeaux, Black and Royal Blue.

This personalised umbrella can be printed by screen printing, multicolour transfer, DTF printing, flex or sublimation. Ideal for companies, clubs, associations, events and private customers. Minimum order: 15 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
