Reference	2696
Composition	RPET
Material	RPET
Average weight	0.53
Dimensions	28,3 x 0,9 x 39CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

This 16" laptop sleeve in RPET protects and carries laptops up to 16 inches. Designed as a slim, slightly rigid sleeve, it features a built-in support for stabilising the laptop when partially unfolded and converts into a mouse pad when opened flat. Its compact dimensions (28.3 x 0.9 x 39 cm) make it a discreet, practical accessory for daily commuting and mobile work.

The RPET finish gives a textured, durable look and is easy to slide into a larger bag. The sleeve remains low-profile with a simple closure, so it takes up minimal space. Care is straightforward: spot-cleaning is recommended to preserve the recycled material's appearance.

Personalisation available from a minimum order of 10 pieces. Possible techniques: screen printing on objects, multicolour transfer, DTF printing and flex. Suited to companies, clubs, associations and events wanting a functional, eco-friendly giveaway; our studio can vectorise or retouch your logo before production. personalised laptop sleeve
