DESCRIPTION

These PET playing cards are waterproof and supplied as a 54-card pack in a compact rigid box (9 x 6 x 2 cm). The standard “As” model and PET material give the cards a flexible feel and make them easy to maintain with a simple wipe-down. This is not a textile item.

The cards show a glossy, textured finish and the protective box keeps them safe for transport and storage. Their compact dimensions sit comfortably in the hand, making them suitable for indoor use and for occasions where water resistance is desirable (poolside, boat trips or outdoor terraces).

Customise these personalised playing cards for companies, sports clubs, associations, events or corporate gifts. Available marking techniques: digital printing, doming and pad printing. Minimum order: 50 pieces (colours and sizes combined) — lower quantities possible with additional costs. Free quote within 24 hours on weekdays; pickup at our Evere workshop or delivery in Belgium, France and Luxembourg.
