DESCRIPTION

Pickleball set including two MDF paddles and one ball, packaged in an RPET mesh pouch with a drawstring. Intended for outdoor play and casual games, the paddles offer a firm grip thanks to wrapped handles and a rigid MDF hitting surface. Care is straightforward: wipe the paddles and ball with a damp cloth to remove dirt or sand and allow to air dry before storing.

The mesh pouch makes transport and ventilation easy; the paddles measure approximately 40 x 19.2 cm, a practical size for adults and teens. The handles provide secure handling while keeping the overall set lightweight for lively rallies. The item is available in several colours, such as Black and Navy.

This personalised pickleball set can be customised with Digital printing, Laser engraving or Screen printing on the item, suitable for companies, sports clubs, associations, events and promotional gifts. Minimum order 10 pieces (colours and sizes combined) — smaller quantities possible with additional fees. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery within Belgium, France and Luxembourg.
