Indoor garden with LED light

Ref. 2702

Reference	2702
Composition	ABS
Material	ABS
Average weight	0.315
Dimensions	11 x 9,4 x 22CM
Country of origin	China
Carton	4 pieces

DESCRIPTION

The Lushlet mini indoor garden is a compact ABS planter with an integrated reservoir and four low-voltage LED grow lights (5V input), sized at 11 x 9.4 x 22 cm for neat placement on desks or windowsills. The set includes the pot, reservoir and a USB cable with A/C adapter for powering the LEDs. It is designed for easy upkeep: simply rinse the pot and recharge via USB.

The product features a tall, pivoting handle for convenient carrying and a smooth, block-style pot for straightforward cleaning. The ABS construction provides a durable, low-maintenance surface suited to everyday indoor use.

Customize this personalised gardening product for companies, sports clubs, associations, events or corporate gifts. Available marking methods: DTF printing / digital printing, doming and pad printing. Minimum order: 2 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our studio can retouch or vectorise your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
