DESCRIPTION

The Magnolia diffuser is a 100 ml glass fragrance diffuser designed to scent indoor spaces subtly. Its clear cylindrical bottle features a wood-effect cap and six wooden reeds for continuous scent release; inserted small flowers in the liquid create an attractive decorative effect. Maintenance is straightforward: wipe the bottle clean and replace reeds as needed.

Compact in size (7.1 x 7.1 x 23 cm), the diffuser fits neatly on desks and shelves. The wooden-look cap and natural reeds provide a warm finish while the transparent glass showcases the decorative elements inside. Intended for indoor use where it can stand flat and away from direct heat sources.

This diffuser is available with a minimum order of 20 pieces and can be personalised by screen printing, laser engraving, pad printing or digital printing for companies, hotels, associations, events or corporate gifts. A practical option as a personalised diffuser to promote your brand.
