Double wall bottle 1L

Ref. 2710

Reference	2710
Composition	Stainless steel
Material	Stainless steel
Average weight	0.7
Dimensions	13 x 9 x 33CM
Country of origin	China
Carton	10 pieces

DESCRIPTION

Double-wall vacuum stainless steel flask with a 1 L capacity, designed to keep drinks hot or cold. This unisex bottle features a side handle for easier carrying and a PP screw cap that doubles as a cup; the anti-leak construction suits on-the-go use. Care is straightforward: hand wash and leave open to dry.

The cylindrical shape offers a practical size (13 x 9 x 33 cm) and a matt finish. The folding handle improves portability and the stainless steel cup provides an integrated serving option, while the insulated double-wall construction helps maintain temperature and prevents leaks.

Customisation available via laser engraving or pad printing for a precise, durable mark. Ideal for companies, sports clubs, associations and event giveaways — note: minimum order 5 pieces (colours and sizes combined). Available in several colour options, for example black, dark green or navy blue.

COLOURS (3)

Black

Dark Green

Navy blue
