DESCRIPTION

The Riu scented candle is made from vegetable wax and is presented in a cubic glass jar (12x12x12 cm), designed to add a warm, elegant atmosphere. A wooden wick produces a gentle flame with a subtle crackle, suitable for lounges, receptions or hospitality settings. Listed burn time: 65 hours. The glass jar is robust and easy to care for: wipe the exterior with a soft cloth and remove cooled wax residues when necessary.

The square shape and clear finish blend well with many interiors. The wooden wick provides steady consumption of the wax for even burning; the thick glass reduces heat transfer and makes handling safer. Its compact dimensions make it convenient for tables, counters or as a branded gift.

This personalised scented candle can be customised for companies, hotels, events, associations and private clients using screen printing on objects, laser engraving or pad printing. Minimum order: 5 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
