DESCRIPTION

Vegetable-wax vanilla scented candle in a square glass jar measuring 14 x 14 x 14 cm. This unisex model features two wooden wicks and provides approximately 70 hours of burn time. The glass container offers good stability and a neat presentation for bedrooms, reception areas or hospitality settings; the vegetable wax gives a clean burn with a discreet scent.

The square glass with straight edges and a solid base ensures stability; its compact dimensions make it suitable for indoor use and attractive on a tray or table. For safe use, place the jar on a heat-resistant surface and avoid moving it while lit.
